Summary

Software developer. Born in 2000. Laptop warranty expires in 2025.

Education

B.Sc. Information Technology - UIT (2018 - 2022)

Expected graduation: 2022. Program duration: 4 years.

Projects

E-commerce Platform (2023) - Team of 5 members, completed in 6 months

Hospital System (2022) - Maintenance contract: 2 years warranty

Plan to study abroad for 2 years starting 2026.

Technical Skills

Languages: Java, Python, JavaScript

Backend: Spring Boot, REST API

Database: MySQL

Tools: Git, Docker

Note for tester

Expected: `experience_years = 0` (no valid 'X years experience' pattern).

Numbers like '4 years' (program), '2 years' (warranty) should NOT be matched.

If years > 0 -> regex is too loose, old bug still present.
